Council Comments

Matt –

1. Happy New Year to all and wished for successful leadership in 2026.
2. Thank you to all city employees for their dedication and work for the city.

Mike –

1. Requested an update on the funds raised / spend by the Police Department (in reference to the request for donation letter that was previously sent out by the Chief). Mayor Westlake noted that he will find out.

Ron –

1. Requested an update on the status of cameras being placed at the recycling trailers. Hilfiker noted that cameras have been installed.
2. Requested (again) that the council receive police department stats. Hilfiker noted that she has requested this information several times. Mayor Westlake noted that he will look into getting this information.
3. Requested (again) that an ordinance regarding electric bikes be addressed. A discussion of this topic will be added to the next council agenda. Kent noted that the speed a bike can travel should be noted in the ordinance.
4. Requested an ordinance on vacant / blighted buildings be addressed.
5. Requested an update on establishing a Dispatch Committee. Mayor Westlake has received a contract from Barry Ritter. He plans to present that to the Board of Works. There was discussion about the mayor leaving council out of the loop of this contract / committee. Golden noted that he would like to be on the committee. He noted that the study will cost money, but it needs to be done (safety & potential cost savings). Hilfiker noted that central dispatch comes down to safety and needs to be addressed.

Dave –

1. Thanked city employees for keeping the roadways clear during the recent snow event.
2. Thanked Mike Aker for 52 years on the Portland Fire Department. Mike retired at the end of 2025.

Ashley –

1. Hopes that 2026 will bring a better state of mind for all. Noted that all council members were elected to serve Portland and everyone needs to speak up for their constituents.

Kent –

1. Thanked city employees and Mike Aker. He also thanked Wes Schemenaur for his representation of Jay County in a recent 48-Hours documentary. Bad things happen, but justice prevails in Jay County.
